Use a little BETA MAGIC® and big odors disappear! Scientifically formulated for heavy-duty applications. Effectively counteracts malodors at landfill sites, in sewage treatment plants and lift stations, in garbage and refuse trucks and dumpsters, containers and compactors, incinerators, and other refuse disposal operations. For use in absorption and counteracting of odors.

USE INSTRUCTIONS

WASTE CONTAINERS/DUMPSTERS: Scatter 2 or 3 scoops per cubic yard of container capacity. Repeat after each service cycle. Keep lid closed during storage

GARBAGE COLLECTION TRUCKS: Scatter freely onto beds and hoppers of garbage and refuse trucks.

TRASH CANS, CONTAINERS AND COMPACTORS: Apply 2-3 tablespoons when empty and as needed.

OUTDOORS: Spread around and under dumpsters and apply onto liquid run-off puddles.

LIQUID SPILLS: BETA MAGIC® absorbs and contains odorous liquid spills for easy pick-up and disposal. Use rubber gloves while applying.

ANIMAL CONTAINMENT (KENNELS & FARMS): Liberally apply on and around excrement and sweep up into plastic trash bag. Keep away from animal feeding and contact feeding areas. Dispose of properly.

FOOD PROCESSING WASTE: From restaurants, hotels, hospitals, nursing homes, taverns, etc.

TO CONTROL ORGANIC MALODORS: From decomposing fish, seafood, poultry, meat and grease by-products.

PEST CONTROL: (Carrion) odors caused by animal carcass decomposition. Whenever possible apply BETA MAGIC® directly to carcasses and adjacent surfaces. If odor source is inaccessible, apply BETA MAGIC® as close to source as possible.

EMESIS REMOVAL (VOMITUS): Liberally apply on and around excrement and sweep up into plastic trash bag and dispose of properly.

WARNING

GHS HAZARD STATEMENTS: May cause an allergic skin reaction. Harmful if inhaled. May cause damage to organs through prolonged or repeated exposure.

GHS PRECAUTIONS

SAFETY PRECAUTIONS: Use only outdoors or in a well-ventilated area. Contaminated clothing should not be allowed out of workplace. Keep away from heat and open flame. Wear protective gloves and eye protection.

FIRST AID MEASURES: **If on skin:** Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical attention. **If inhaled:** Remove to fresh air. Get medical attention if you feel unwell. **If in eyes:** Get immediate medical attention.

If swallowed: Do not induce vomiting. Immediately call a Poison center or doctor/physician. Wash contaminated clothing before reuse.

STORAGE: Store in a well ventilated, cool place.

DISPOSAL: Dispose of content/container in accordance with Local, State, Federal and International regulations.
