

BLUE THUNDER

Granular odorless line treatment cleans, opens up and maintains drains. Ultra-concentrated to break down most commercial and industrial drain obstructions. Pleasant fragrance and non-fuming makes Blue Thunder very easy to use. Unique exothermic action helps break down: Grease • Hair • Coffee Grounds • Fats • Vegetable Matter • Tobacco • Lint • Slime • Drain Scum and many other difficult drain conditions.

DIRECTIONS FOR USE

Remove water from sink, bowl or tub and remove drain strainer if possible.

TO OPEN AND CLEAR DRAINS:

Apply a light trickle of cold water into drain while adding 3 tablespoonfuls of BLUE THUNDER into drain about every 45 to 90 seconds until the drain begins to flow. Continue dosage until optimum flow is realized.

PREVENTATIVE MAINTENANCE TO KEEP DRAINS FREE

FLOWING: Apply a light trickle of cold water into drain while adding 3 tablespoons of BLUE THUNDER into each drain weekly.

**ALWAYS USE COLD WATER
RINSE UTENSILS AFTER CONTACT**
