

EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE

**REMOVE
GEL PAINT AND GRAFFITI REMOVER**

This product is a heavy viscous stripper that clings to vertical surfaces. Can be used on metal and wood, concrete, and terrazzo. Will damage plastics.

DIRECTIONS

Pre-clean accumulations of dirt and grease with a heavy duty detergent. Allow to dry. Apply undiluted compound in a full heavy coat. Allow to stand until paint film is thoroughly wrinkled. On floors the used stripper may be squeegeed to the next area and reused until action completely stops. Add fresh material as needed. Stripped surfaces should be washed with detergent and water, particularly before repainting.

CAUTION: Contains Methylene chloride, which has been shown to cause cancer in certain laboratory animals. Risk to health depends on level and duration of exposure.

WARNING: This product contains chemical(s) known to the State of California to cause cancer and birth defects or other reproductive harm.

HMIS Codes: Health-3, Flammability-1, Reactivity-0, Personal-B.

Product Code: 2300-D
