

**BETA PEN  
INDUSTRIAL PENETRANT**

**CORRODED SURFACES**

Will loosen dirt and scale from painted and plated surfaces. Remove loosened scale and spray again to cover surface.

**TO LOOSEN BOUND PARTS**

Liberal application will loosen threads, tightly fitted parts, sliding and rotating parts, bolts, hinges and pins which have been "frozen" by corrosion. The formula will protect against renewed corrosion. Is a powerful, multiple-action protective shield against the harmful effects of moisture and corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing water and moisture and sealing all surfaces with a complete molecular film. It preserves equipment, thus reducing repair and maintenance costs. Also lubricates, loosens dirt, scale and other corrosive elements; never becomes dry, brittle or hard. Protects the properties of insulating substances and does away with wicking. The conductivity of commutators and contacts is protected by the formula. Can be used on either dry or wet surfaces. Ensure adequate protection, periodic checks should be made to determine the need for reapplication.

**DIRECTIONS**

Spray liberally directly on area to be treated. Reapply periodically as required.

**EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE**

**BETA PEN**  
**Industrial**  
**PENETRANT**

- *Non-Flammable*
- *29,000 Volt Dielectric Strength*
- *Displaces Moisture*
- *Corrosion Inhibitor*
- **THE ULTIMATE QUAD COMPOSITION**

**NET WT.**  
**16 OZ.**

**DANGER:**  
**CONTAINS GAS UNDER PRESSURE;**  
**MAY EXPLODE IF HEATED.**

**DANGER**

Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. May cause cancer. May cause drowsiness or dizziness. Suspected of causing genetic defects. Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves, eye protection, and protective clothing. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. If exposed or concerned: Get medical attention. Avoid breathing fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

WARNING: This product contains a chemical(s) known to the State of California to cause cancer.
