

JET GREAZ NON-MELTING LIQUID GREASE

- Up to 500°F Temperature Range
- USDA H-2 Rating

Contains a high temperature, non-melting inorganic red grease. Sprays out as a thick liquid, which sets up to a grease in one to two minutes. Penetrates, lubricates and prevents corrosion on all metal parts. Use on chains, winches, conveyors, gears, cable, tools and rollers. For use in cars, boats, buses, warehouses, motors, trucks, industrial plants, automobile dealerships, tractors, hotels, motels, restaurants, schools and in the home. Contains a high pressure additive which reduces wear and prolongs operational life of all machinery. Prevents seizing of threads, loosens up frozen parts and prevents corrosion and rust.

DIRECTIONS

Shake well before using. Remove protective cap. Point opening in spray tip towards area to be sprayed. For hard to reach areas insert red extender tube into hole in tip. Apply a light coat by spraying in quick, short bursts. Work part to distribute product evenly over entire surface. Reapply if full coverage is not obtained at first.

JET GREAZ

Non-Melting Liquid GREASE

- *Acid Resistant*
- *Anti-Seize* • *High Temperature*
- *Versatile Spray* • *Durable Grease*
- *Impervious to Moisture*
- *Resists Caking & Hardening*
- *Penetrates & Lubricates*

NET WT.
12 OZ.

DANGER:
EXTREMELY FLAMMABLE AEROSOL.
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.

DANGER

Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes skin and eye irritation. Suspected of causing cancer. May cause drowsiness and dizziness. May be fatal if swallowed and enters airways.

Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves. Avoid breathing fumes, vapors, and spray. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Use only outdoors or in a well-ventilated area. If exposed or concerned: Get medical advice or attention. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.
