

**ULTRA-SLIDE
HIGH VISCOSITY
SILICONE LUBRICANT**

ULTRA-SLIDE is a USDA authorized high viscosity silicone lubricant. Eliminates doors, locks, hinges, screens, windows drawers, zippers, springs from hanging up or sticking. Prevents corrosion and stops it from advancing. Protects and water proofs spark plugs, ignition systems, battery terminals. Contains no organic fats. ULTRA-SLIDE will not turn sour or contaminate when in contact with food. Odorless and non-staining for use virtually anywhere. Leaves a smooth slick finish.

GREAT FOR THESE APPLICATIONS: Prevents doors and locks from freezing. Water proofing electrical connections. For use on wood, most plastic surfaces, metal, fabrics, leather and in food processing plants.

DIRECTIONS

Clean the surface thoroughly. Spray a light coating in a sweeping motion. Repeat the process if necessary. Work the part back and forth to ensure complete coverage.

ATTENTION: ULTRA-SLIDE may harm certain plastics. TEST in an inconspicuous area before use.
