

## STEEL BRITE STAINLESS STEEL POLISH & CLEANER

Preserves clean spotless finish on metal surfaces in kitchens, elevators, laboratories, restaurants, offices, factories, etc. Clinging foam spray eliminates oily stains, water spots and food stains. Polishes to a brilliant shine while it cleans, leaving no greasy film. Special coating resists further stains. Water-based formula allows cloths to resist spontaneous combustion and should be reused after laundry.

### DIRECTIONS FOR USE

Hold can upright. Point toward surface to be sprayed. Position can 8 inches from the area. Press nozzle and apply a thin coating. For heavily soiled areas, allow product to penetrate for a minute before wiping off. For difficult areas, spray directly on cloth and apply. Wipe with a cloth. Polish to a brilliant shine. In food processing areas, all odors/fumes of this product must be dissipated before food products or packaging materials are exposed. Warning: Do not leave overspray on floors and walkways leaving area slippery.

Made in USA

EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE

# Steel Brite

## Stainless Steel Polish & Cleaner

- *Water Based*
- *Contains All Edible Ingredients*
- *Leaves No Greasy Film*
- *Polishes & Cleans*
