

EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE

**GLISTENOL
BODY SHINE INTENSIFIER**

Glistenol is a futuristic shine enhancer which creates an unparalleled radiant shine. Color is protected through a chemically woven Teflon® fortified formula. Ultraviolet light damage and oxidation are virtually eliminated when used on a regular basis. An extremely brilliant shine is created through a complex Brazilian Carnauba Palm Tree wax blend.

Labor saving technology allows the complete process from start to finish to take 15 minutes or less.

**GREAT FOR THESE
APPLICATIONS**

Automobiles	Golf Carts
Light Trucks	ATVs
Utility Vehicles	Yachts
Airplanes	Rolling Stock
Trailers	Motorcycles
Bicycles	RVs
Buses	Vans
Personal Water Craft

Intensifier**

- *Produces a Radiant Shine*
- *Protects and Enhances Clean Coat*
- *Revives Dull Worn Finishes*
- *Labor Saving Technology*
- *Protects Finish from Harmful UV Damage Through Teflon® Fortification*

**NET WT.
11 OZ.**

DANGER:
EXTREMELY FLAMMABLE AEROSOL.
CONTAINS GAS UNDER PRESSURE;
MAY EXPLODE IF HEATED.

DIRECTIONS

Shake Glistenol well prior to using. Make sure to wash the unit with Beta Bubble prior to applying. Dry completely. Apply the product in a slow sweeping motion and let it dwell until a light haze appears. In most cases less than ten minutes depending upon ambient temperature and air movement. Wipe off and polish until a brilliant shine is realized.

DANGER

Extremely Flammable Aerosol. 
Contains gas under pressure; may explode if heated. Causes eye irritation. 

Keep away from heat, sparks, open flames, and hot surfaces. –No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.
