

EXCLUSIVELY FOR INDUSTRIAL & INSTITUTIONAL USE

GRIPPER UNIVERSAL SURFACE ACTIVE AGENT

Is a uniquely designed product to energize water by making it wetter. This product will allow water and products to soak in faster and more universally. GRIPPER is so versatile that it can be used in many different applications such as: fertilizing, weed control, wetting difficult hard soils, puddle dispersing, compacting soils for roads, keeping dust down on soil driveways and yards.

Product Code: 2460
