

**HYGIENE CLEAN
SANITIZING TOWELS**

These towels use the latest in **SANITIZING SCIENCE** by using one of the safest, most effective active antiseptic ingredients. **HYGIENE CLEAN** Sanitizing Towels break down and kill 99.9% of the germ laden bacteria that hands come in contact with on a daily basis. Quickly cleans and re-moisturizes skin to help prevent industrial dermatitis. Greatly reduces the risk of infection through regular use. Leaves a fresh wintergreen fragrance.

HMS Codes: Health - 0, Flammability - 3, Reactivity - 0, Personal - A.
