- MOLD • MILDEW • SMOKE • SPICES • FOOD •
- TOBACCO • BODY ODOR • URINE • FECAL •
- DIAPER • GARBAGE • ANIMAL •

DIRECTIONS

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. DO NOT use in a room 5 feet by 5 feet or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights. Do not use this unit in an area less than 100 cubic feet.

Seal the entire room by closing all the windows. Place AIR BETA BERRY SPECIAL in the center of the room and raise it above the floor. Place a towel under the can. Engage the product by locking the valve into the open position for complete release. Exit the room upon activation. Let the product work undisturbed for two hours. Turn on the air conditioning or heat to re-introduce air flow for 30 minutes.

BETA DATA

FLASH POINT:	<20°F TCC
FLAME EXTENSION:	>18"
COLOR:	Clear Mist
SPECIFIC GRAVITY:	.79
TOXICITY:	400ppm OSHA PEL
DETERGENCY:	None
